January 29th – January 31st

Four Points by Sheraton Hotel

Kingston, ON

QSC 2021 SPEAKERS

A Letter From Our Team

Dear _____,

We appreciate your interest in speaking at the ninth annual Queen's Space Conference, Canada's premier student-run space conference. QSC is a unique event, drawing many students from a variety of Canadian universities. Starting with less than 50 delegates in 2012 and last year hosting approximately 120 delegates, our conference is constantly evolving as interest continues to grow. By sharing your unique experience, you will have the opportunity to inspire our audience. We hope that you can speak at QSC 2021 and help continue the success of the conference.

On behalf of the entire QSC 2021 team, we thank you and hope to hear from you in the near future!

WHY QSC?

Why your attendance matters to us.

MISSION

It is QSC's mission to inspire our delegates to pursue the endless possibilities in the space industry. We also strive to inform students about opportunities and developments in the field. Our conference is organized to connect undergraduates with like-minded speakers and sponsors. QSC provides professionals and students the opportunity to connect in an environment focused on developments in aerospace. We take pride in hosting a memorable and stimulating event full of fascinating space-related content.

OFFER

As the conference is a bridge between education and industry, we strive to create a dynamic event where both the technical and personal sides of the industry are explored. This environment allows partners to grow exposure, offer career opportunities, and explain products and services.

ACCOMMODATIONS

We will do our utmost to ensure you have a comfortable stay with us here in Kingston. QSC will provide accommodation and meals for speakers throughout the conference weekend, which will be hosted at the Four Points by Sheraton. Dietary restrictions and allergies will be accommodated.
